General Comments

As the document under review is part of the Design Optimization Proposal process, it is considered for information only.

Since the document deals with the site component "Weir" the document No. has to be **UT1-C-010-CVL-TE-40012** conform chapter 6.5 *Document Identification* of **UT1-G-000-Cmm-CD-80002 Project Design Agreement**.

DISCLAIMER

Any approval will not release the Contractor from any of his obligations under the Contract.

Sebastian Beck, Chief Design Engineer
